Main Goals

WELCOME

BlackMerg Images is a full service studio and on-location photography company catering to a diverse clientele. From everyday individuals to renowned corporations, we understand that every client's needs are different. That is why all our solutions are customised to capture a bespoke aesthetic.

We never compromise on image quality. Our facilities include a fully outfitted in-house studio and on-location equipment, giving us full control of every project from shoot to edit and final production; add a dynamic team of versatile, talented, professional photographers and the end result is refreshingly pioneering visual communication. That's BlackMerg Images.

THE BLACKMERG EXPERIENCE

Blackmerg Images brings today's finest photographers & videographers to today's stylish brides and grooms. As some of the nation's premier boutique artists, each photographer has the style, digital artistry, and personal service expected of Blackmerg Images.

What Makes Us Different?

- We're reliable– Our methods are rooted in consistently delivering quality photography. While we are zealous about creativity we are equally keen to sit with our clients and listen to their needs. By working closely with our clients we ensure that the work we produce is a visual fusion of client fulfilment and potent photographic expertise, time and time again.
- We're enthusiasts – For technology, for beautifully great aesthetics and for exploring an array of photography styles. That's why we have invested in high-resolution cameras, sufficient computing systems and the latest software. We love what we do, hence why we do it so well.
- We're human – To achieve a desired result we believe you have to be relatable. We try to make our clients feel at ease and our working relationship as seamless as possible from start to finish. It's important to get the job done and done right but a few laughs and smiles along the way make it that much more enjoyable.

SUCCESSFUL WEDDING STRATEGY

1

RESERVATION

Register with BlackMerg Images and one of our experienced photographers will be assigned to you to assist you create your perfect package through a one-on-one and continuous consultation.

Our photographer will become familiar with your style and will make sure that **your final product matches your vision!**

2

PLANNING

Having gotten acquainted after the initial meet-up, and having agreed on the total wedding package price, we will then draft up a contract with all agreed requirements, expectations and deliverables for your wedding. Once ready to book you will be issued with an official contract for preview and finaly signing. A retainer (deposit) is required to hold a date after which we can start to talk about the where and when you want to do engagement photos, expound on your wedding day vision **and even perfect your posing styles!**
